

Dear friends,

Beginning on Monday, September 11, the Chaplain's Office at Bethany Village will begin a new worship and learning series called "Proclaiming Our Story." Using the Narrative Lectionary, we will focus on the stories of our faith that we read in the Hebrew Bible: stories of creation, wonder, struggle and more. I hope you will join us for the many offerings in our community of faith. Whether you make it to one or all of the services and events this fall, I think you'll gain something invaluable and you might be inspired to "proclaim our story" anew.

Listed below are all of the offerings of the Chaplain's Office. You are welcome to attend any of these, whether held at Bethany Home or Sunflower Terrace.

Please feel free to reach out to me with any questions!
